II. STAFF ANALYSIS

The project site was previously a restaurant (Debbie Does Desserts); however; the restaurant did not have a use permit for beer and wine sales. The applicant is requesting a use permit to add the ancillary sale of beer and wine. The cafe is approximately 1,600 square feet and will be open Sunday through Tuesday and Thursday 10-6 and Friday and Saturday 10-9. The café will serve lunch daily and two dinners per week. No additional floor area will be created for this project and there will be no modifications to the building's exterior.

III. DISCUSSION OF REQUIRED USE PERMIT FINDINGS FOR APPROVAL

1. Section 10-3.1305 for the Zoning Ordinance requires that the following finding must be made to approve a use permit: *"The establishment, maintenance, or operation of the use will not, under the circumstances of the particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of the proposed use, or be detrimental or injurious to property or improvements in the neighborhood or to the general welfare of the Town."*

The proposed sale of beer and wine will not affect the hours of operation or the nature of the cafe. If the use is expanded in terms of hours of operation, floor area or other characteristics, then an amendment to the use permit will be required. The applicant will be required to secure all necessary approvals from the Department of Alcohol Beverage Control. The proposal of beer and wine sales is not expected to be detrimental or injurious to property or improvements in the neighborhood or to the general welfare of the Town.

IV. CONDITIONS OF APPROVAL

1. Planning approval is based on the materials date stamped received by the San Anselmo Planning Department on February 4, 2010.
2. This approval does not include signs. A separate sign permit is required per the Town Zoning Ordinance.
3. The applicant must obtain all necessary permits and approvals from the California Department of Alcohol Beverage Control, the Marin County Health Department and any other relevant agencies.
4. If the use is not commenced within two years from the date of final action, the planning action becomes null and void. However, this discretionary action may be renewed by the Planning Director for a maximum period of one (1) year provided the applicant places such a request in writing to the Planning Director showing good cause prior to the expiration of the discretionary action.
5. The property owner shall indemnify and hold harmless the Town of San Anselmo and its officers and/or employees in the event of any legal action related to or arising from the granting of this entitlement and shall cooperate with the Town in the defense of any such action, and shall indemnify the Town for any award of damages and/or attorneys' fees and associated costs that may result.
