

Polling Place Changes in San Anselmo Feb. 1, 2010

The polling place for San Anselmo voting precincts 2201, 2202 and 2204 will no longer be voting in the multipurpose room at Wade Thomas School. The school is experiencing a higher enrollment than ever before and they need more room. Faculty & staff have come to the realization that they need to facilitate the space in the multipurpose room for various types of classes and the school can no longer offer its facilities as a polling place.

The new polling place for precinct #2204 (approximately the "hub" area") will be located in the Fireside Room at the San Rafael Methodist Church, 199 Greenfield Ave, San Rafael.

The new polling place for precincts #2201 & #2202 (approximately San Rafael Ave to Wade Thomas area) will be located at the Ross Valley Fire Station #19, 777 San Anselmo Avenue, San Anselmo, CA

Post cards will be mailed out to voters the first week of May 2010 informing them of the changes. The polling place change will also be on sample ballots which are scheduled to be mailed out later in May.
